

John 6.51-58

Jesus uses a complicated description of eating his flesh and drinking his blood, to try and show people how we must live close to him; almost as if Jesus is inside us, so that we can live the best and fullest life possible.

Colour in the word 'life'. Try to use as many colours as possible.

Draw the other half of the loaf of bread, and, below the picture, write the words that Jesus called himself: 'living bread'.
