Mark 9.38-50

Jesus explains that all are welcome to join him in doing good and being kind to others.

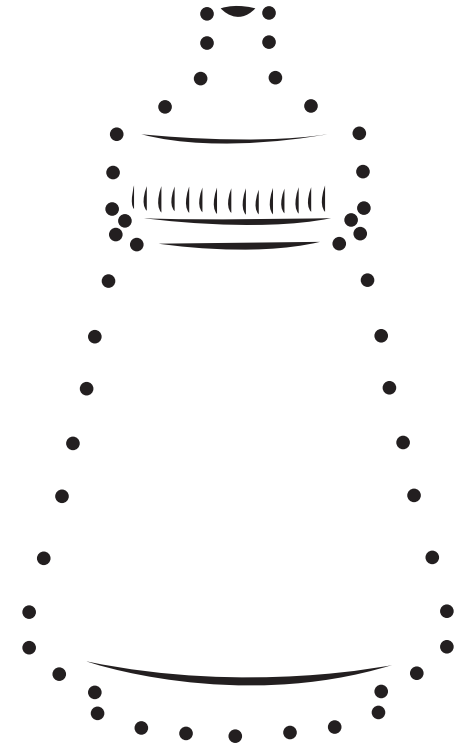

Being like Jesus is how we can see God in ourselves.

Jesus says Write

Imagine you are the Prime Minister or president of a country. Write a short speech telling everyone how you intend to make the world a better place. What good and kind things will you promise to do?

Join the dots to find something which adds flavour.

How many times can you find the word 'God' hidden in the grid?
